

Biopharmaceutical/Vaccine Experience

Bio Medical Device Manufacturing
Bio-Containment
Biopharmaceutical Development
Biopharmaceutical Manufacturing Plant
Biopharmaceutical Production & Laboratories
Bioreactor Expansion
Bioreactor Suites
Bulk Biopharmaceutical Manufacturing
Conceptual Design
Crude Allergen R&D Laboratories & Purification Facility, Grassroots Four Building Allergen
R&D/Manufacturing Facility
Facility Production; Critical Utilities
Greenfield Manufacturing Facility & Laboratories
Large Scale Manufacturing Renovations and Upgrades
Manufacturing Facility Conceptual Design
Manufacturing Facility Renovation
Manufacturing/Labs
Pandemic Flu Vaccine Manufacturing Facility Concept
Pilot Plant Detail Design
R&D / Pilot Plant Master Plan
Sterile Bioprocessing and Isolation Technology
Syringe Filling Line
Tissue Culture Laboratory
Vaccine Finishing Plant Renovation
Varicella Plant Expansion
Manufacturing Vial Filling/Lyophilization
Flu Vaccine Manufacturing Plant - Major Renovations
